

 BOREXINO
GRAN SASSO

Borexino General Meeting Special Session

On the occasion of the next Borexino collaboration meeting, at the end of the data taking, we will hold an open “special session” with a few talks for a recollection of the history and the achievements of Borexino throughout its three-decade long saga

Speakers

Gianpaolo Bellini (University of Milano & INFN), Frank Calaprice (Princeton University), Wick Haxton (University of California, Berkeley), Fabio Mantovani (University of Ferrara & INFN), James Withmore (former NSF Program Director for Particle Astrophysics), Francesco Lorenzo Villante (University of L'Aquila & INFN), Francesco Vissani (INFN - LNGS)

Organizing Committee

Aldo Ianni (INFN-LNGS), Ezio Previtalli (University of Milano Bicocca - Director of LNGS), Gioacchino Ranucci (INFN Milano), Nicola Rossi (INFN-LNGS), Fausto Chiarizia (INFN-LNGS)

**Laboratori Nazionali del Gran Sasso
Auditorium "E. Fermi"**

December 1, 2021 - 3:00 PM CET
